

PARISH NEWS

Glad Days Taco Booth

July 28 thru 30th, 2016

Theme: Farm Country

We are looking for an individual and/or team to lead this fun event. I have chaired this a good many years and it was always sponsored by Catholic United Financial (formerly Catholic Aid) and still is currently.

The duties are: ordering the food from Mackenthuns, Waconia, MN. and they do give a discount to us for ordering.

Menu: walking tacos w/ all the trimmings, water, pop, ice cream w/ toppings. The fire Dept. was always very helpful in getting us the ice thru out the day as we needed it.

Ice cream machine was started last year and we rented it for free from Carver County Dairy Assn. The ice cream mix was purchased from Bongard's Creamery in Bongards.

Our booth was open just the Saturday of the event from 8 to 5 or when the crowd went done or ran out of food.

We will need to let Cologne know what our time will for sure be on that Saturday.

We do have a Banner to hang with our name on it. We did display brochures of our parish on a table also. This has been a matching grant thru Catholic United Financial in the past. Thank you to them for all they have done and continue to do for us.

This is a great way to promote St. Bernard Parish. Please Contact me if you are interested or with any questions you may have. Thank you very much. Carol Symanitz

Church window screens:

Help is needed to repair and maintain the window screens. Screens have holes in them, some are not installed properly and dead insects are between the screen and stained glass. This is something that does not have to be coordinated with anyone.

Mayer Lumber in Mayer Minn. repairs screens and St. Bernard has an account with Mayer Lumber to charge the expense. You can do the repair work any way you deem best.

With warm weather soon arriving we will want the windows open and screens to keep bugs out. Your help is appreciated

St. Bernard Chili Feed and Cash Raffle: Oct. 1, 2016 with a 4pm Mass and all festivities right after.

We are looking for an individual and/or team to lead (Chairperson and/or Chairpersons) this fun event.

Check to see that we have music for the Mass. Work list is the Parish families.

Menu: Chili, Chicken soup, chips, bars (donated by parishioners), & ice cream machine (rented at no charge from Carver county Dairy Assn.)

Things to do early: * apply for gambling/ liquor license thru Pam in the church office. Talk to her in June regarding it.

*Check with past crew if they will continue to co-chair the areas as in past.

I would have a planning meeting soon to see who is returning to their areas and then you will know how many individuals you will have to get yet.

Everything was held in school cafeteria as this made things easier and safer.

Please contact Carol Symanitz if interested and/or have any questions. Thank you

My email is carolsymanitz@yahoo.com and cell is 651-331-8665.

These fundraisers are a great way to meet new families from our com

One Flock, One Shepherd

Come join Guardian Angel's Parish as we experience a Mission journey led by Fr. Jim Van Dorn, from the Prior Lake Retreat House.

This year's theme centers on:
Forgiveness Letting Go Healing

Be inspired to go forth and share the Year of Mercy with others.

All are welcome! Hospitality will be offered

MAY 15 – 18, 2016, 7:00 PM – 8:30 PM

Guardian Angels Church, 215 Second St. West,
Chaska, 952-227-4000
