

Join us for our fall open house.

THURSDAY, NOVEMBER 3

We are a Catholic high school. At the core of the Holy Family Catholic High School experience are Catholic beliefs, values and traditions. Students celebrate their faith through daily prayer and Convocation, regular Mass, participation in the Sacrament of Reconciliation, and service to others.

We prepare students for college and for life. Our academic focus is college preparedness. Students are lifted to their greatest potential in a climate that supports lifelong learning.

We develop Christian leaders with global perspectives. Our Leadership Institute, paired with local, national, and global service opportunities, develops moral and ethical leaders with the skills and experiences needed to make their families, workplaces and world better places.

We uphold the Lasallian philosophy of education. Created by St. John Baptist de la Salle, the Lasallian philosophy of education focuses on excellence in teaching, human dignity and respect, faith reflections and relationship to reasoning, and social justice commitment.
