

**The Fish Fry Committee 2019 is excited and busy preparing for our parish Fish Fry on
Friday March 15th**

We are changing things up this year with serving lunch and only having one fish fry.

11am-8pm

We will continue to offer our fabulous fish, homemade potato salad, baked potato, coleslaw, beans and desserts

Of course with this change in time we have many opportunities on the day of the fish fry and the week leading up to it for you to find a time that works in your schedule to help make this event a success!

Even if it's only an hour your help is appreciated!
