### Respect Life Sunday

Each year, the first Sunday of October is designated: "Respect Life Sunday", when we are asked to re-commit ourselves to promoting the culture of LIFE.

It is a good time to ask ourselves whether we are good witnesses to the respect we are called to have for all human life, from conception to natural death. This is challenging because we are members of a society in which there is tremendous pressure to limit our love and ignore the sacredness of human life.

We live in a violent society that sees violence and death by abortion, euthanasia, suicide and capital punishment as a solution to many of our personal and societal "problems". And many of these attitudes are enshrined in our law and culture, leading to more violence, manifested in spousal and child abuse, the gang culture and so on.

On this Respect Life Sunday and throughout the month of October, we should pray hard for our legislators, for those mothers who feel forced to choose abortion and for those who provide and promote abortion. But we must also look at ourselves. Do we speak up for the innocent abortion victims? Do we promote pro-life values? Do we vote for pro-life politicians? Do we do anything tangible to protect the unborn?

We can definitely help change our society to become a culture of LIFE, but we must be active, informed and faithful witnesses.

### There Are Several Alternatives To Abortion

We must educate our young women and girls as to what they are up against.

Tell them abortion is an abomination, a serious sin against God.

Tell them about Birthright and the Crisis Pregnancy Centers that will help them.

Tell them abortion is not a quick fix to their problems. They will have repercussions for years to come; an abortion will change their life forever. Tell them abortion is the ultimate child abuse. Tell them adoption is a loving choice: a child brings love.

Tell them *one child could change the world!*

Tell them to give life a chance. We are weeping for the children murdered by abortion and for our country that lets them die.
